The 7 elected Board of Directors for the WPOA serve terms of 2 years on the Board. In accordance with the By-Laws, the current Board selects 2 board members and 3 members-at-large to serve as the nominating committee for the Association's next board election ([see by-laws on website: thewoodspoa.com](http://thewoodspoa.com)). Last year 7 members were elected to the Board of Directors. To bring the election process into compliance with the By-Laws which require either 3 or 4 board members to be elected each year, 3 members of the current board have agreed to serve a 1 year term with the proviso that their names would be included on the ballot for the 2021-2022 election of Board of Directors. One of the three, Patricia Glass, resigned from the board in July due to personal reasons. **The nominating committee, after careful consideration, nominates the following Association members to be considered for the 2021-2022 Board of Directors of the Woods I & II POA Association:**
